Anas Ahmed Basiouny

Address: Al-Aziziya District, Riyadh, Saudi Arabia.
Mobile Phone: +966547221065.
E-mail: a.a.basuny@gmail.com

Education

➢**Al Azhar University, Faculty Of Engineering [Nassr City, Cairo, Egypt], 2006 - 2011**
Bachelor Degree in Electrical Engineering, Electrical Power Department.
Date of Graduation: 2011. Grade Good (70%)
➢**Graduation Project: Electrical Inatallations. Project Degree: Excellent**

Working Experience

➢ **Job Roles (Responsibilities): Design & Revision of All Shop Drawings, Receipt All Electrical & Communication Works And Approval of All Materials for the Following Systems: Generators, ATS, RMU, Medium voltage from distributor 22 kv to step down transformers 22/0.4 KV, Cables M.V & L.V & L.C, Street Lighting, Landscape, Different Conduits of Power & Communication Systems, Manholes & Handholes, Grounding, Lux Study, Lightining Protection, Fiber Optic Cables, Lighting, Power, IPTV, CCTV, Sound, Telephone, Data, Fire Alarm.**

- **Multaqa AL-Madina Contracting EST. From (JAN. 2024) To (NOW) (Saudi Arabia)**
  Company field: Engineering Contracting Company.
  Job Title: MEP Executive Director.

- **SABBOUR Consulting. From (DEC. 2018) To (DEC. 2023) (EGYPT)**
  Company field: Engineering Consulting Firm.
  Job Title: Electrical Executive Director.

- **Mohammed Abdullah Aljammaz EST (1).From (OCT. 2016) To (OCT. 2018)(Saudi Arabia)**
- **Bandar Mohammed Aljammaz Consulting (2). From (OCT. 2016) To (OCT. 2018)**
  Company field(1): Construction & Real Estate.
  Company field(2): Engineering Consulting Firm.
  Job Title: Senior Electrical Engineer.

- **Al Ajmi Engineering Consulting. From (APR. 2014) To (AUG. 2016) (Saudi Arabia)**
  Company field: Engineering Consulting Firm (certified by royal commission).
  Job Title: Senior Electrical Design Engineer.

- **ASMEE (Advanced Systems For Mech. & Elec. Engineering Company). (2011:2014) (Cairo)**
  Company field: Electrical & Mechanical Engineering Systems Contracting.
  Job Title: Electrical Engineer (Site Engineer).

• **Faculty Of Engineering (Graduation Project). From (JAN. 2011) To (OCT. 2011) (Cairo)**

Company field: Faculty Of Engineering (Graduation Project).
Job Title: Electrical Engineer (Member Of 8 Engineers For Design The Project).

Practical achievements

With Multaqa AL-Madina Contracting:

- **Design & Implementation projects:**

❖ **Work Containing:**

- **Design & Implement Of government buildings Follow Aseer Governorate.**
- **All Electrical Requirement Of The Saudi Electricity Company (SCECO).**
- **Very Good Knowlage About Safety & Civil Defence Requirements.**
- **Design & Implement (13KV - 480/277- 400/230).**
- **Design & Implement Of Projects: (Workshops, Managements) & Residential Buildings, Staff Houses.**

ABHA Projects:

1. Government Projects.

✓ **Located At Bani Malik Road, Abha, Aseer, Total area 15000 m².**
✓ **Adminstrative, Residential, Warehouses Buildings Contain All Electromechanical Systems.**
✓ **Completely Infrastructure.**
✓ **Total Amount 45 Million SR.**

****

With SABBOUR Consulting:

- **Revision & Supervision & Receipt projects:**

❖ **Work Containing:**

- **An Electrical Power Plant Contain (Emergency Generators, M.V Cables, RMU, Stepdown Transformers 22/0.4 kv, Distribution Panel Boards L.V, Power Factor).**
- **Lighting Streets Contain (High Masts, Cables, Distribution Panel Boards, Connectors, Lighting Fixiture, Lighting Streets, Accessories, Landscape).**
- **Low Current Networks Contain (Complete Infra, Surveillance SYS.).**

Uganda Projects:

2. ORO PHARMACUETICAL GROUP.

✓ **Located At industrial area, Kampala, Uganda, Total area 10000 m².**
✓ **Completely Infrastructure, (Production-Administrative-Kitchen&cafeteria-Power house-Water&Firefighting Tanks)Buildings .**
✓ **Total Amount 7 Million USD.**

Egypt Projects:

3. THE EGYPTION CHINESE J.V. COMPANY FOR INVESTMENT.

✓ **Located At Al Ain Al Sokhna Total Area 1,250,000 m².**
✓ **Completely Infrastructure For Planing New Industrial Area.**
✓ **Total Amount 300 Million E.P.**

4. DUBAI WORLD SOKHNA (DP WORLD).

✓ **Located At Al Ain Al Sokhna Total Area 10,000,000 M².**
✓ **Completely Infrastructure For Planing New Extention Of Al Ein Al sokhna Port.**
✓ **Total Amount Of Electrical works 300 Million E.P.**

5. AL AHLY CLUB.

- ✓ Located At New Cairo-5th Settlement Total Area 250000 M².
- ✓ Completely Infrastructure For Planing Different Playgrounds & Buildings
- ✓ (Football-Pentacleball-Basketball-Volleyball-handball-Tennis-Gymnastics-Coverdhalls-Olympic SW. Pools-Squash-Admin,Social,Academy,Masjid, Buildings).
- ✓ Total Amount 500 Million E.P.

6. Helnan Resort & hotel.

- ✓ Located At Port Said Total Area 800,000 m².
- ✓ Completely Infrastructure & completely electrical works(RMU, Transformers, cables, panels, lighting, power, earthing, & complete low current systems).
- ✓ Total Amount of electrical works 200 Million E.P.

****

With Al Jammaz Estalishment:

- **Design & Revision & Supervision & Receipt projects:**

❖ Work Containing:

- An Electrical Power Plant Contain (Emergency Generator, SCECO Transformers, Distribution Panel Boards L.V & M.V, VRV Type Of AC Units).
- Lighting Building Contain (Cables, Distribution Panel Boards, Connectors, Lighting Fixiture, Lighting Streets, Accessories, Lighting Protection).
- Low Current Networks Contain (Fire Alarm SYS., Analog & IP Telephon SYS., IPTV SYS., Data SYS., Audio SYS., Surveillance SYS.).

Kingdom Of Saudi Arabia Projects:

1. AL ZAYTOON TOWER (4 STAR HOTEL).

- ✓ Located At Al Shesha District, MAKKA ALMUKARRAMA, Total Area 1500 m².
- ✓ Commercial Building (hotel), 22 Floors & 250 Suite & 2 Service Basement Floors.
- ✓ Big ShowShops With very Big Service & Parking Areas.
- ✓ Total Amount 600 Million S.R.

2. AL TEEN TOWER (5 STAR HOTEL).

- ✓ Located At Ajiad District, MAKKA ALMUKARRAMA, Total Area 2500 m².
- ✓ Commercial Building (hotel), 45 Floors & 500 Suite & 2 Service Basement Floors.
- ✓ Big ShowShops With very Big Service & Parking Areas.
- ✓ Total Amount 750 Million S.R.

3. TIMES CENTER TOWER.

- ✓ Located At Olaya Street, Riyadh City, Total Area 10000 m².
- ✓ Administrative Building, 11 Floors & 210 Offices & 4 Service Basement Floors.
- ✓ Big ShowShops With very Big Service & Parking Areas.
- ✓ Total Amount 400 Million S.R.

4. ALMAATHER COMPOUND (4 VILLAS).

- ✓ Located At Al Maather District, Riyadh City, Total Area 4000 m².
- ✓ Residential Buildings, Every Villa Has (Basement, 1st, 2nd, Roof Floors).
- ✓ Swimming Poos, VRV Type Of AC Units.
- ✓ Total Amount 60 Million S.R.

****

With Al Ajmi Engineering Consulting:

- **Design & Some Of Supervision projects:**

❖ Work Containing:

- Study All Standards & Codes For Special Projects Of Royal Commission.
- Design Of All Project Which Follow The Royal Commission.
- Design Of All Project Which Follow The Municipality Of Al Jubail Governorate.
- All Electrical Requirement Of The Saudi Electricity Company (SCECO).
- Very Good Knowlage About Safety & Civil Defence Requirements.

- Design Of Various Volt Values (480/277-400/230-380/220-220/127).
- Design Of All kinds Of Projects: Industrial (Factories, Workshops, Manage ments) & Residential (From 1 floor Up To 15 Floors, Villas) & Big Projects Which Coverd Over 100,000 m² (Farms, Workshops, Staff Houses).

Kingdom Of Saudi Arabia Projects (Factories&WorkSHops&Admin Building):

1. GAS ARABIAN COMPANY (RC JUBAIL).
2. ITAJ GULF INTERNATIONAL COMPANY (RC JUBAIL).
3. AAMAL RETAL COMPANY (RC JUBAIL).
4. ASMAAR GULF COMPANY (RC JUBAIL).
5. INMAA COMPANY (RC JUBAIL).
6. JAL COMPANY (RC JUBAIL).
7. RAHA COMPANY (RC JUBAIL).
8. GULF ENGINEERING COMPANY (RC JUBAIL).
9. GULF SKY CRANES & CONTRACTING COMPANY (RC JUBAIL).
10. ALFARRAN SAUDI ARABIA COMPANY (RC JUBAIL).
11. AL HAMRANI COMPANY (RC JUBAIL).
12. ALRASHID DRESSER COMPANY (RC JUBAIL).
13. ENVIRONMENTAL TESTING & LABORATOTY COMPANY (RC JUBAIL).
14. RESEARCH BUILDING INSTITUTE FOR SALINE WATER (RC JUBAIL).

Kingdom Of Saudi Arabia Projects (Commercial):

1. INTERCONTNENTAL HOTEL- EXPANSION (RC JUBAIL).
2. INTERNATIONAL SCHOOL GROUP-EXPANSION (RC JUBAIL).
3. KARAN HOTEL (RC JUBAIL).
4. AL OREFI WORKSHOPS (VERY BIG PROJECT).
5. AL NAEEMY HOTEL (SUPER EXTRA LARGE HOTEL-MEDUIM VOLTAGE).
6. DORRAT ALJUBAIL HOTEL PART 2.
7. ABD ULQADER ALMUHEDIEB (3 BIG COMPOUNDS & BIG STAFF HOUSES).
8. ESSAM QABBANY COMPOUND (STAFF HOUSES 30 BUILDINGS).

Kingdom Of Saudi Arabia Projects (Various):

1. A lot Of Masjids, Hospitals, Residentials.

****

With Advanced Systems For Mech. & Elec. Engineering Co. :

- ### Implementation & Supervision projects:

❖ Work Containing:

- An Electrical Power Plant Contain (Generator, Step Up & Step Down Transformers, Distribution Panel Boards L.V & M.V, Variou Types Of AC Units).
- Lighting Building Contain (Cables, Distribution Panel Boards, Connectors, Lighting Fixiture, Lighting Streets, Accessories, Lighting Protection).
- Low Current Networks Contain (Fire Alarm SYS., Analog & IP Telephon SYS., IPTV SYS., Data SYS., Audio SYS., Surveillance SYS.).

Egypt Projects:

1. GRAND RESTA (7 STARS RESORT).

✓ Located At Marsaa Alam, Red Sea Governorate, Total Area Very Big.
✓ Commercial Building (resort), 700 Suite & Big Management Building.
✓ Big ShowShops With very Big Service & Parking Areas & Big Land Escapes.
✓ Total Amount 250 Million E.P.

****

With Faculty Of Engineering :

- ### Design projects:

❖ Work Containing:

- **An Electrical Power Systems.**
- **Lighting Building Contain (Cables, Distribution Panel Boards, Connectors, Lighting Fixiture, Lighting Streets, Accessories).**
- **Low Current Networks Contain (Fire Alarm SYS., Analog & IP Telephon SYS., IPTV SYS., Data SYS., Audio SYS., Surveillance SYS.).**

Egypt Projects (Graduation Project):

1. **Big Residential Compound**

- ✓ **Located At 6th Of October, Cairo Governorate, Total Area Very Big.**
- ✓ **Residential Building (compound).**
- ✓ **Big ShowShops With very Big Service & Parking Areas & Big Land Escapes.**

Training Experience

- **Trainee. Egyption Electricity Transmission company.**

Conventional-Gis &Transformers & Circuit Breaker & Fuses (Overview, Practical Work)

- **Trainee. General Administration Of Menoufia Networks.**

Power Distribution & Cables & Transformers & Kiosk & Meters & Protection

- **Trainee. Alfa Light Company.**

Automatic control & PLC Circuits & Electronics & Microcontroller & Programming
(For Manufacture Electric Lamps)

- **Trainee. Jelecom a.d. Panasonic.**

PLC Advanced Course (Level-1).

- **Trainee. Idustrial Training Counsil.**

Electrical Installations & Winding Of Electric Motors & Control Th Operation Of electric Motors & Autocad 2D

Skills

Computer Skills -

Revit MEP. (Professional and Expert advanced Level 72 Hours) By Cad Masters.
AutoCAD 2D.
Dialux 4.12 (Interior, Exterior and Street & Landscape lighting Software).
Caterpillar Specsizer (Generator Sizing Software).
ICDL, Windows (Me, Xp, Vista, 7, 8, 10) .
Excellent Computer Skills (MS Office - Internet).

Language Skills -

Arabic: Mother Tongue.
English: Excellent.

Communications Skills -

Very good communication with others and the ability to lead and work in team work.
Excellent Analytical, Interpersonal Skills, Ability to perform under pressure. Able to learn in a short time, active, and open minded. Good business sense & Negotation skills.

Personal Information

Birth Date: 22/6/1987.
Religion: Muslim.
Nationality: Egyptian.
Martial State: Married.
Military status: Exempt Final.
Driving License: Valid (Egyption, Saudi).
Memberships: Egyption Syndicate Of Engineer.
Federation Of Arab Engineers.
Saudi Council Of Engineer.
