Profile

Final year law student at King Saud University with a strong interest in commercial law. Passionate about contributing to the legal field through innovation and creating value in the legal sector. Skilled in legal research, public speaking, and applying legal knowledge in professional environments. Currently looking for a Cooperative Training Program to gain more practical experience in the legal field.

Education

Bachelor of Law "L.L.B" Aug 2020 – Dec 2025
King Saud University Riyadh, Saudi Arabia
GPA; 4.58/5
Second honours student

Experience

Legal Intern Feb 2025 – May 2025
Hamad ibn Khnain Law Firm RIyadh, Saudi Arabia
- Worked on legal research, participated in writing legal documents, attended client meetings and supported the team in case preparation, gaining practical experience in how law is applied in real cases.

Legal Researcher Jan 2025 – Apr 2025
Wazen Legal News and Investments Platform Riyadh, Saudi Arabia
- coverd legal deals, researched important legal technologies, and connected with industry leaders to track legal sector updates.

Projects

Initiatives to Improving Law Program at King Saud University Nov 2024
College of Law and Political Science, King Saud University

- Led the development of a Legal Clinic, where law students practice real legal work by providing pro bono legal assistance to the public under the supervision of professors and licensed lawyers, with support from top law firms such as White & case, Latham & Watkins, A&O Shearman, Khoshaim & Associates, Eyad Reda Law Firm.
- Designed new academic tracks in the law program, specializing in commercial law, international law, and criminal law, to enhance students expertise and align their legal skills with market demands.

Extracurricular Activities

Student Ambassador Jan 2025 – present
Transformation Management Office (in collaboration with North Highland), King Saud University Riyadh, Saudi Arabia
- Suggesting practical ideas to the University's Transformation Office (in collaboration with North Highland Consulting Company) to help law students overcome challenges such as limited real-world experience and unclear career direction. Aimed to improve legal education by making learning more practical and helping students build skills for the job market.

Project Manager Team Lead Mar 2025 – May 2025
Transformation Hackathon, King Saud University Riyadh, Saudi Arabia
- Led a team selected from 2,000 teams, responsible for establishing the legal clinic and connecting the project with technological solutions.

Project Committee Member Sep 2024 – Feb 2025
Above & Beyond Student Club, King Saud University Riyadh, Saudi Arabia
- Helped students understand law in english and improve both thair legal knowledge and language skills.
- Organized workshops about corporate law presented by Koshaim & Associates

Legal Writer Aug 2024 – Feb 2025
Economic newspaper, King Saud University Riyadh, Saudi Arabia
Articles:
- The Economic Effects of Mergers and Acquisitions
- The benfits and Risks of Privatizing the Economy
- The Role of Arbitration in Bringing Investments to Saudi Arabia
- The Impact of the Regulatory Enviroment of Economic Growth
- Tax Regulation for Foreign Investors in Saudi Arabia

Public Speaker Aug 2023 – Sep 2023
the global nonprofit organization, Toastmasters International Riyadh, Saudi Arabia
- Practiced prepared speeches as part of a public speaking program to improve communication skills, build confidence, and deliver impactful messages.

Recommendation

Faculty Recommendation - Legal Clinic Initiative and Academic Tracks (View letter here).

- Recommendation from the Faculty of Law and Political Science for my initiative on the Legal Clinic project and academic track ideas.
