PROFILE SUMMARY

A dedicated and detail-oriented law student with a solid academic background, currently pursuing a Bachelor's degree in Law. Demonstrates strong analytical and research skills, with proficiency in legal writing and a keen understanding of legal principles. Possesses excellent communication and interpersonal abilities, enabling effective collaboration and client interaction. Committed to gaining practical experience and contributing to a legal team through internships that offer exposure to various aspects of law practice. Eager to apply academic knowledge in a real-world setting and develop professional skills in a dynamic legal environment.

EXPERNICES

As a law student, I have developed strong research and writing skills through coursework and assignments, including drafting legal documents and analysing case law.
