Nationality: Saudi, LinkedIn: www.linkedin.com/in/elana-mahboub-3095bb338

Objective:

Law Graduate from Dar Al-Hekma University (GPA: 4.52/5.00), seeking an opportunity to apply strong legal research and drafting skills. Experienced in preparing legal memoranda and legal forms, with a commitment to accuracy, professionalism, and teamwork. Eager to contribute to a dynamic legal team and gain hands-on experience.

Education:

Bachelor of Law from Dar Al-Hekma University, GPA: 4.52/ 5.00 Graduated: Jun 2026

Experiences:

Legal internship at Al-Marbae & partners in Jeddah Jun 2025 – Jan 2026

- Drafted and finalized 50+ statements of claim and legal memoranda in Arabic, ensuring precise language and alignment with procedural requirements, reducing revision requests by 30%.
- Conducted 7+ in-depth legal research assignments across statutory laws and newly issued regulations, strengthening case positioning and improving legal argument accuracy
- Analyzed 20+ case files and supporting documents, extracted material facts, and calculated the most applicable legal frameworks, contributing to more structured and outcome-focused litigation strategies.
- Driven application of core legal principles to active cases, enhancing consistency in legal reasoning and reducing analysis time.

Projects:

- Researched and analyzed the regulatory framework for corporate governance under the Saudi Capital Market Authority (CMA) regulations, outlining key requirements, compliance mechanisms, and governance best practices. View the project.
- Studied and analyzed the characteristics of the Kuwaiti Constitution of 1962, highlighting its foundational principles, governance structure, and key constitutional features. View the project.
- Administrative Law Research Project: Researched and compared centralization versus decentralization in administrative law, highlighting best practices and suggesting reforms. View the project
- Conducted a comparative study of Saudi and Kuwaiti law regarding the enforcement of a debtor's assets held by third parties, focusing on the legal framework, procedures, and key differences between both jurisdictions. View the project.
