About Me

I'm a Problem-solver, a curious researcher, and in addition to having the willingness to learn and develop new skills. I'm interested in legal research, public policy, compliance, and governance. My goal is to build a career related to my interest in the GRC or public policy field. My latest achievement is getting my Master's degree in Law and Legal Practice from King Abdulaziz University, in addition to acquiring the certification of the Saudi Accreditation Standards for Legal Practitioners (SASL).
