# Our Team

Multi-languages is composed of a skilled team of 85 professionals, including translators, reviewers, proofreaders, and project managers. Additionally, we benefit from the expertise of subject matter specialists who offer guidance in specialized fields like medicine and engineering, among others

Multi Languages for Certified Translation
اللغات المتعددة للترجمة المعتمدة

# Our Services

## Translation

We devote ourselves to accurately convey-ing the essence of every source text, taking into account the linguistic style, the cultural context, and specialization. At every stage of our rigorous translation process, we apply professional diligence to capture nuances and ensure highest quality. This process begins by compiling special-ized dictionaries and ends with expert review, proofreading, and quality assurance across diverse fields.

## Simultaneous Interpretation

With our team of highly-qualified and ex-perienced Saudi interpreters, we have the capability to offe simultaneous interpreta-tion services for a wide range of events, forums, and hearings. Additionally, we provide consecutive interpretation and over-the-phone interpretation (OPI). To ensure the highest quality of service, we equip our interpreters with state-of-the-art interpretation tools and devices.

## Editing & Proofreading

Our proofreading services are dedicated to delivering high-quality results. We ensure that the target message is readable and authentic in terms of style, grammar, and spelling. Our team consists of experi-enced senior proofreaders who carefully review and refine the content. With our sevices, you can expect a final output that is of exceptional quality and reflects a na-tive-like proficiency

# Our Services

## Localization

With our team of highly-qualified and experienced Saudi interpreters, we have the capability to offer simultaneous interpretation sevices for a wide range of events, forums, and hearings. Additionally, we provide consecutive interpretation and over-the-phone interpretation (OPI). To ensure the highest quality of service, we equip our interpreters with state-of-the-art interpretation tools and devices.

## Transcription & Subtitling

We provide an unparalleled transcription and subtitling service for audio and video content, skillfully converting spoken language into written form through our team of proficient professionals. When delivering our transcription and subtitling services, we meticulously preserve the essence and subtleties of the spoken word in the written text. Furthermore, we conduct a thorough linguistic review of the final output to guarantee clarity, consistency, and coherence

## Desktop Publishing (DTP)

We provide services for reproducing designs, graphs, infographics, presentations, PDF files, and more in different languages. Our approach considers the linguistic features of the target language while preserving the original template and design of the file. This includes avoiding the need to decompileand redesign the original file in the target language.

## Copywriting & Content Writing

Our team is composed of marketing and advertising writing experts. We offer high-quality copywriting & content writing services tailored to meet the needs of organizations and enterprises. Our services are designed to enhance engagement and communication with clients, enabling them to effectively influence their target audience and achieve remarkable growth exceeding expectations.
