PROFESSIONAL SUMMARY

Recent Law graduate (Honors, 2026) from King Abdulaziz University with a cumulative GPA of 4.54/5.0. Gained hands-on legal training in contract review, legal research, and litigation support during a legal internship. Seeking to apply strong analytical and research skills to contribute to efficient, compliant legal operations.

EDUCATION

Bachelor of Laws (LLB) — King Abdulaziz University, Jeddah, Saudi Arabia | *2026*
Cumulative GPA: 4.54 / 5.0 — Honors Distinction

EXPERIENCE & PROJECTS

Legal Trainee — Legal Edition Firm
Attended live court hearings and case proceedings alongside a supervising lawyer, gaining guided exposure to case strategy and legal reasoning; trained in drafting statements of claim, defense memoranda, and reviewing commercial contracts under professional supervision; reviewed judicial precedents and gained hands-on exposure to the Najiz e-litigation platform and corporate governance compliance frameworks.

Legal Research & Academic Initiatives — King Abdulaziz University
Led a team to design and implement an interactive legal exhibit and simulated case competition on transport contracts, cargo protection, and banking operations; prepared and presented an analytical study on criminal and constitutional responsibility before the faculty panel, and co-authored a research study on the motives behind criminal behavior according to modern criminological theories.

Official Representative — King Abdulaziz University Esports Team (Call of Duty)
Officially represented the university in esports tournaments, reflecting strong strategic thinking, the ability to perform under pressure, and effective communication within a team.
