OBJECTIVES

- **An ambitious and passionate** person who is eager to work in an environment that help me to **explore various new aspects and to expand my knowledge** through working with different professionals. I am keen to **enhance my experience and achieve the highest level at my profession**.
- I'm excellent in **legal research**, **contract drafting**, and **case analysis**, supported by notable **communication** and **problem-solving** skills.

WORK EXPERIENCE

Coop Student

Capital Market Authority, Riyadh, Saudi Arabia **Sep 2025 – Dec 2025**

During my training at Capital Market Authority, I gained various legal knowledge and practical experience, including:

- Drafting defense memoranda
- Preparing statements of claim
- Summarizing and studying civil and criminal cases

I also acquired practical understanding of:

- Legislative and regulatory processes within the legal sector
- Analyzing relevant laws, regulations, and legal frameworks
