## PROFESSIONAL EXPERIENCE

**Sofanah Dahlan Law Firm**

Legal trainee **September 2025 - current**

As a Legal trainee at Sofanah Dahlan's Law Firm, I managed outreach, onboarding, and relationship-building for the Mustan ad Platform (a newly established business), presenting its value and ensuring user adoption by the legal community, while drafting and reviewing legal documents, conducting research and managing client follow ups, I also handled applications and transactions with governmental and private entities, additionally I maintained organized documentation systems and submitted progress reports.

**Batterjee Medical College**

Associate – Corporate **November 2022 – November 2023**

As a Legal associate, I oversaw and managed clients and vendor contracts, ensuring seamless compliance and operational efficiency. Successfully collaborated with Saudi German Hospital on cases and scripted case progression for optimal outcomes. Proficiently drafted comprehensive legal documents, including detailed letters, robust contracts, and precise memos, while strategically aligning with company objectives. Adept at employing diplomatic and effective reconciliation methods to resolve disputes, fostering constructive settlements, and maintaining strong professional relationships.

Dr. Ibrahim Zamzami (Arsan Co)

Legal Trainee **February 2022 – May 2022**

I effectively answered management inquiries and presented information with clarity and precision upon request. I meticulously reviewed case files and monitored case progression to ensure full compliance with relevant legislation. I expertly oversaw legal case management for complex cybercrime cases, conducting in-depth examinations of causes and remedies within the framework of the Saudi legal system. Additionally, I thoroughly analysed statutory law, case law, and state regulations, generating well-researched memos using advanced online research databases.
